## 1. PURPOSE

1.1 The Course Assurance Policy outlines how Adelaide Institute of Higher Education (AIHE) will mitigate disadvantage to students who are unable to progress in a course of study due to unexpected or planned changes in AIHE's operations.

## 2. SCOPE

2.1 The Course Assurance Policy applies to enrolled domestic and international AIHE students and prospective students who have accepted a place at AIHE.

## 3. POLICY STATEMENT

3.1 AIHE endeavours to deliver quality education throughout the students' enrolment period. AIHE will have a credible business continuity plan and adequately resourced financial and tuition safeguards to mitigate disadvantage to students who are unable to progress in a course of study due to unexpected or planned changes to AIHE's operations, including if AIHE is unable to provide a course of study, ceases to operate as a higher education provider, loses professional accreditation for a course of study or is otherwise not able to offer a course of study.

## 4. POLICY PRINCIPLES

4.1 AIHE will have a Business Continuity Plan to coordinate recovery of critical business functions in the event of a primary facilities disruption or disaster to minimise disruption to the delivery of teaching and learning to students.

4.2 AIHE will have a Tuition Protection Plan and a Statement of Tuition Assurance for international and domestic students that:

- contain the policy and procedures to ensure all eligible students are protected if AIHE is unable to provide a course of study or ceases to operate; and
- meet the legislative requirements to mitigate disadvantage to students who are unable to progress in a course of study due to unexpected changes to AIHE's operations.

4.2.1 AIHE will publish the Tuition Protection Plan and the Statement of Tuition Assurance on its website.

4.2.2 Each enrolling student will be provided with clear information about AIHE's general financial and tuition safeguards and how to access them.

4.3 AIHE has the power to discontinue or terminate a course through consultation with staff and students in certain circumstances as set out in the Course Development, Approval, Review and Withdrawal Policy.

4.3.1 In the event that AIHE ceases to provide a course of study in which a student is enrolled, the safeguards and options available to the student will be provided in the Tuition Protection Plan and the Statement of Tuition Assurance.

4.4 Procedures for the implementation of this Policy are primarily provided in the Tuition Protection Plan and the Statement of Tuition Assurance, as well as the: Risk Management Procedure; Course Development, Approval, Review and Withdrawal Procedure; Admission Procedure; International Students Procedure; and Fees and Refunds Procedure.
